

Additional Information for SN Village Clusters Housing Allocation Assessment

Site reference: SN2049SL

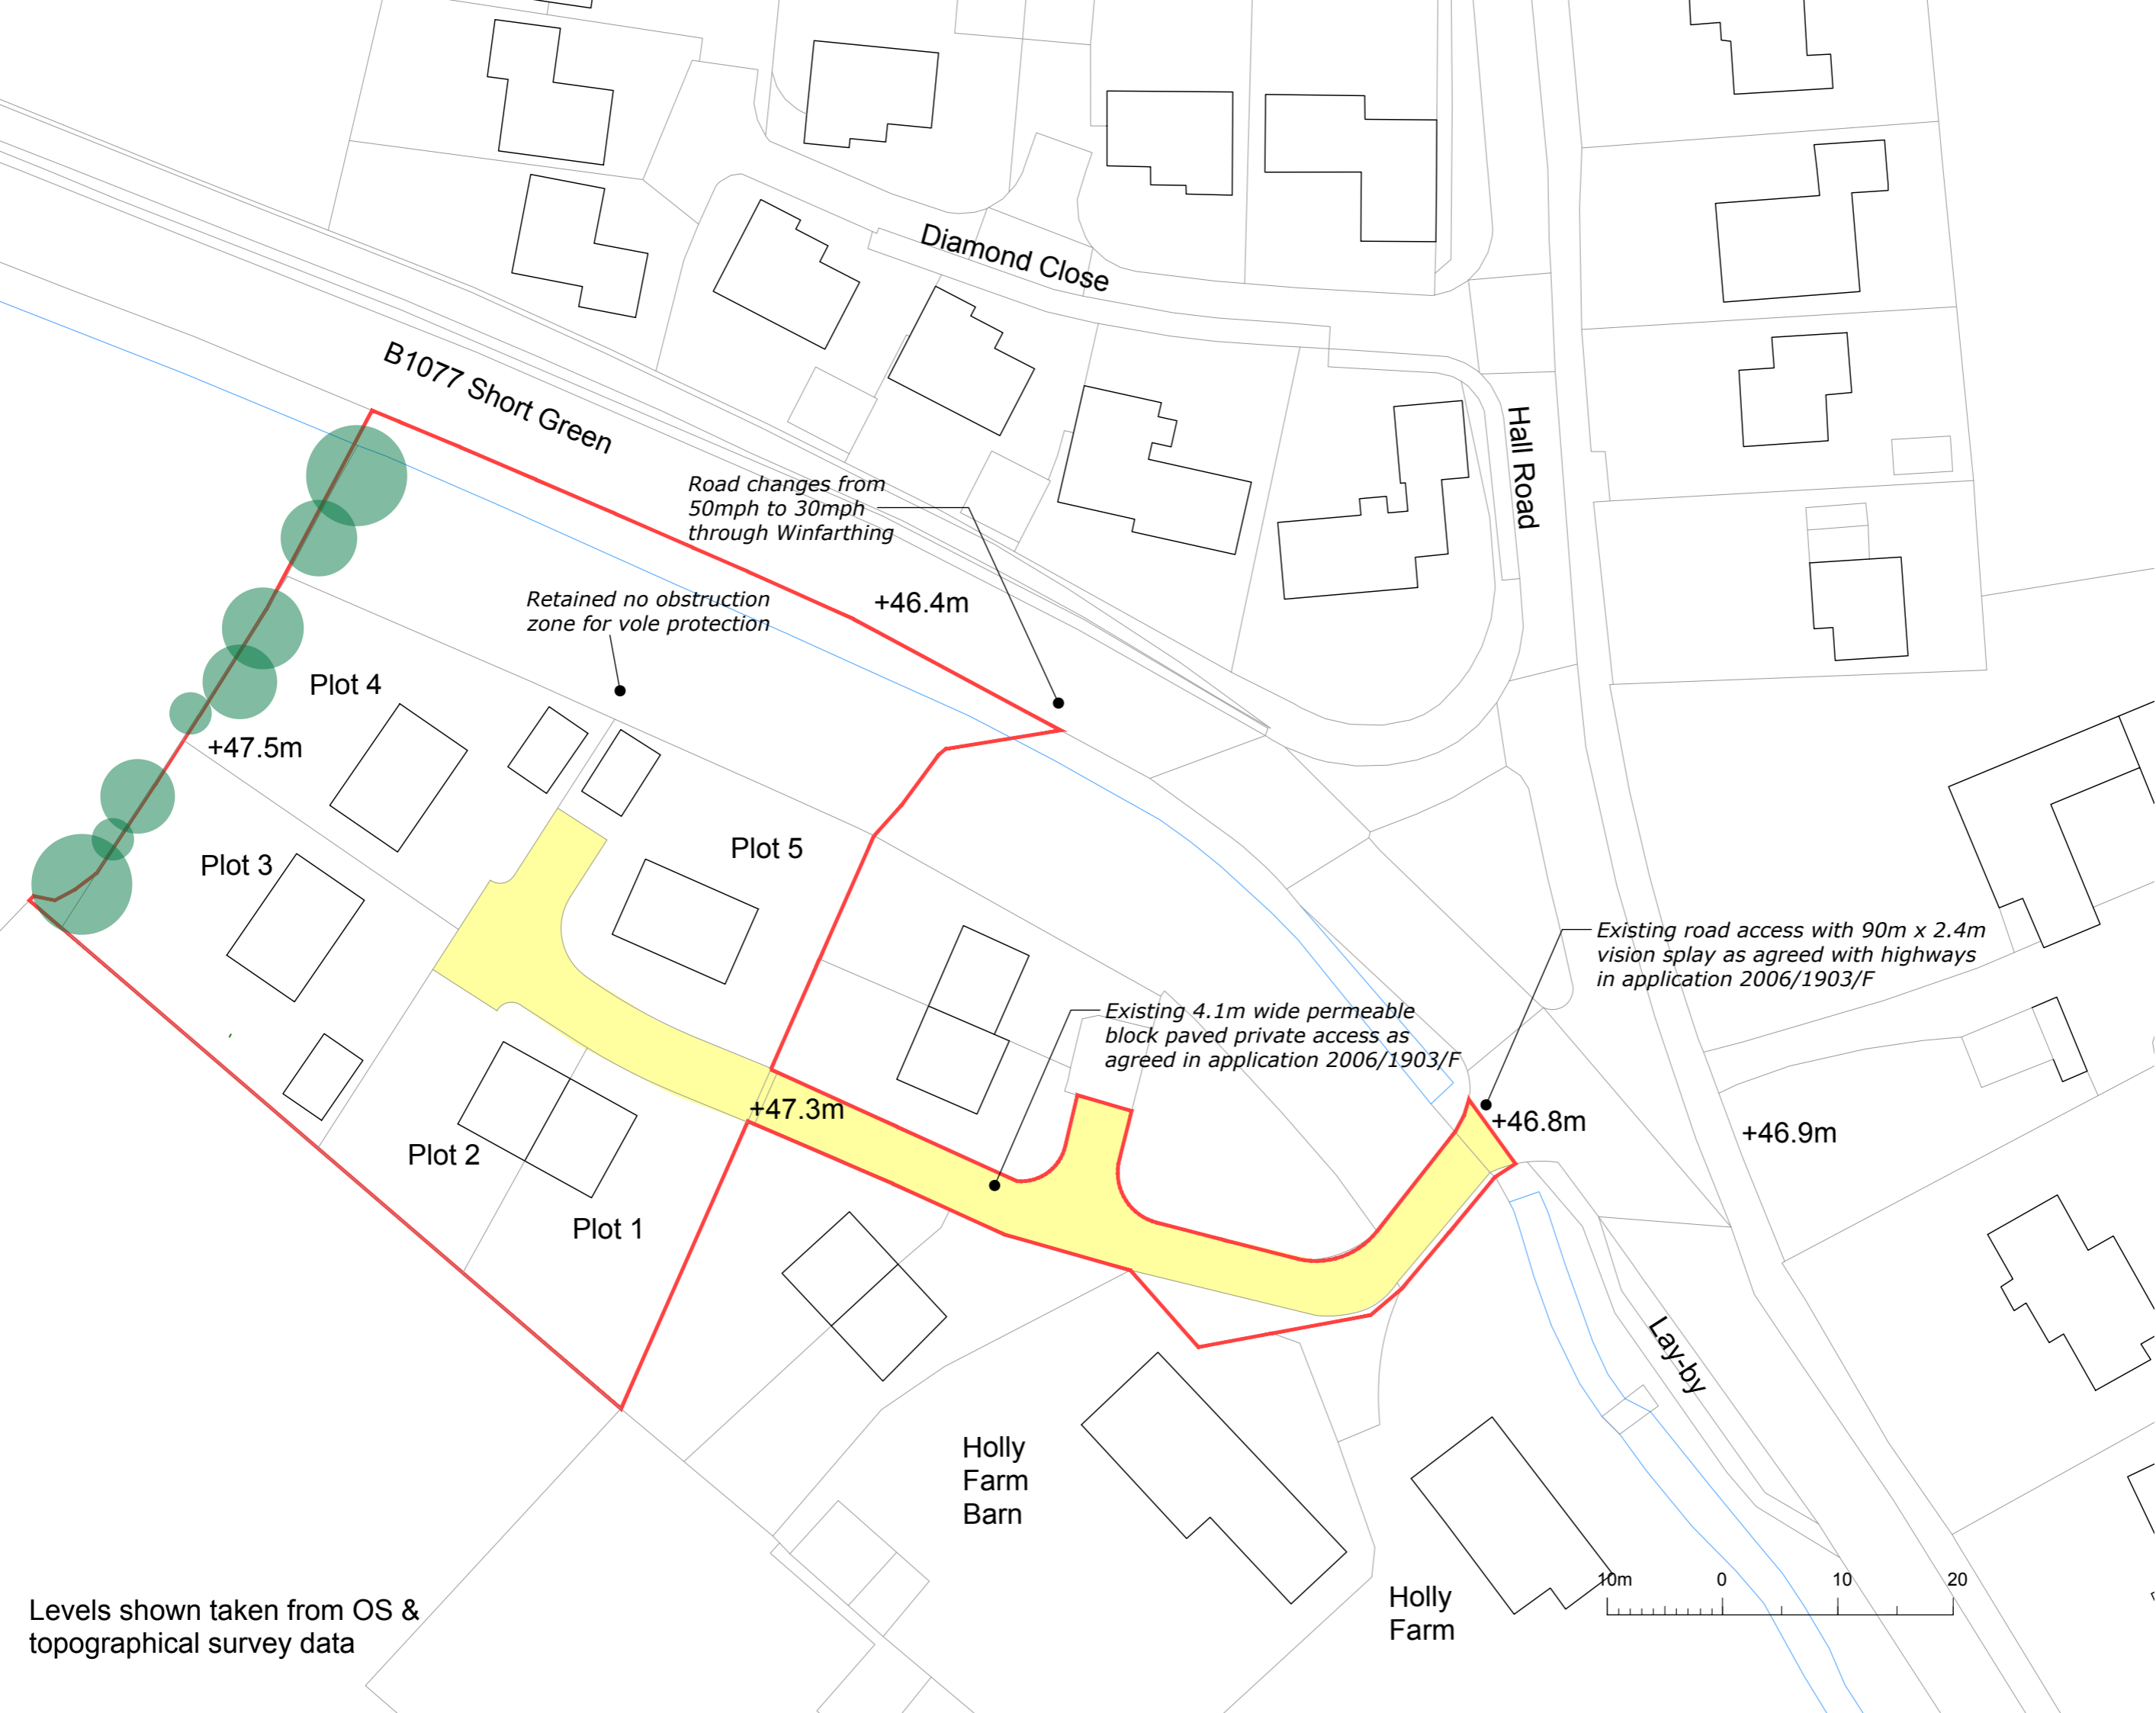

Site Address: Land south of Stocks Hill, Winfarthing

Additional information submitted to clarify the following:

1. Indicative layout of approx. 5 no. dwellings to show compatibility with existing development at Holly Farm. This layout leaves the 10m vole protection zone as the previous planning approved scheme 2006/1903/F.
2. Drawing extract from the previous planning approved scheme which shows the vision splay of the existing road access.
3. Photomontages of the proposed scheme to show it would not have a detrimental impact on the local landscape.
